RE: Stakeholder Breakfast Sponsorship

Dear Sir/Madam:

We are excited to extend this invitation to join us at the virtual 10<sup>th</sup> Annual State of STEM Education Stakeholder Breakfast on June 10, 2022 from 9:00-10:00 am. This year we are honoring:

- **Terry and Joycelyn Williams** with the STEMing the Tide Award for their leadership as ambassadors for excellence in public service and reinvestment in people and communities.
- **Dr. Kelly Coleman** with the C-STEM Ambassador Award for her extraordinary leadership as a community volunteer and advocate for equitable STEM access and opportunities in under-served communities.

The 10th Annual State of STEM Education Stakeholder Breakfast brings together P-12 schools, higher education, professional organizations, corporations, and public servant leaders to receive updates on C-STEM's community impact and the current state of STEM education.

The breakfast will be held virtually on Friday, June 10, 2022 from 9:00-10:00 AM. This year's theme is "Living Smarter 2.0: The Age of Automation and Artificial Intelligence". **The breakfast curator is none other than Chef Mark Anthony—providing an extraordinary breakfast experience in your home or office.**

Should you have any questions regarding the sponsor opportunities, feel free to contact me directly at (281) 451-6509 or e-mail [reagan.flowers@cstem.org](mailto:reagan.flowers@cstem.org).

Yours in the Journey of Education,

Reagan Flowers, PhD  
President and CEO
