

# Bring C-STEM to Your Pre-K...

## It's as easy as 1, 2, 3!!!

1

Pick your  
C-STEM  
Challenge Toolkit

2

Complete the Training  
and Experience the  
kits with your students

3

Host a C-STEM  
Challenge Competition at  
your school/district

The PreK-1st Grade Toolkit is designed to introduce your young students to basic STEM concepts in a fun and engaging way. This kit comes with five (5) activities.

Pre-K Bundle/Training: Mosaic Mural, Sea Turtle Sculpture, Robotics, Photography, and Coding activities				
Quantity	QTY 25	QTY 50	QTY 75	QTY 100
Price	\$2,400	\$2,800	\$3,100	\$3,300

Each activity has its own main character that your students will “bring to life” by applying STEM. Through this journey, your students will learn simple STEM concepts like symmetry and circuits, while exercising their creativity through play.

# Bring C-STEM to Your Elementary School...

## It's as easy as 1, 2, 3!!!

1

Pick your  
C-STEM  
Challenge Toolkit(s)

2
